MEMORANDUM FOR: Project Security Office

SUBJECT: Security Clearances

1. Discussions between representatives of this office and Messrs. [redacted] of the transportation division, Office of Logistics, have reached a point where these individuals can't help but know that we are moving sizeable quantities of film within the S/I and o/s and that before the Project is finished will without question gain more information.

25X1

2. It is therefore requested that the following personnel be cleared for access to Project information on a need-to-know basis:

[redacted]

25X1

3. [redacted] is chief of the transportation division and Mr. [redacted] is chief of the cargo branch of that division.

25X1
25X1

4. Please advise this office when your security check has been completed.
